10

QUANTUM CORPORATION,

No. C 14-04293 WHA

11

Plaintiff,

12

v.

**ORDER RE STIPULATION
FOR LEAVE TO FILE
UNREDACTED DOCUMENTS**

13

CROSSROADS SYSTEMS, INC.,

14

Defendant.

15

16 Crossroads moved to file several documents under seal in support of its pending motion
17 to amend its answer and modify the case management order. That sealing motion was denied.
18 Crossroads inadvertently failed to timely file the unredacted copies of the documents on the
19 public docket. The parties have now filed a stipulation seeking leave for Crossroads to file the
20 unredacted copies two days late. Good cause shown, the request is **GRANTED**. Crossroads shall
21 file the unredacted copies of the relevant documents on the public docket. Crossroads' motion
22 will be considered on the merits notwithstanding its procedural error.

23

24

IT IS SO ORDERED.

25

26 Dated: October 8, 2015.
